VI. Title VI Compliance Review Process

Once formally adopted, Pike County will provide an internal assessment of its Title VI compliance effort.

VII. External Complaint Process

Pike County will promptly investigate all properly submitted complaints of alleged discrimination. Pike County will also attempt to resolve such complaints and take corrective action upon a finding of a substantiated complaint.

A. Complaint Investigation Procedures

The Title VI/ADA coordinator will make a determination to accept, reject, or refer to the appropriate agency a complaint within seven working days of its receipt. Pike County will determine whether the person or entity purportedly engaged in the alleged discriminatory act as a sub-recipient of federal funds. If the complaint does not specifically mention that the alleged discriminatory actor is a sub-recipient of federal funds, Pike County may presume so in deciding whether to accept the complaint for further processing.

These procedures apply to all complaints filed under Title VI of the Civil Rights Act of 1964 and its related statutes, regulations and directives; the American with Disability Act of 1990, as amended; and Section 504 of the Vocational Rehabilitation Act of 1973. These procedures do not affect the right of the Complainant to file formal complaints with other state or federal agencies or to seek private counsel for complaints alleging discrimination. These procedures are part of an administrative process that does not provide for remedies that include punitive damages or compensatory remuneration for the Complainant.

Pike County will make every effort to facilitate a voluntary early resolution of complaints at the lowest level possible. The County may exercise the option of informal resolution at any stage of the process.

B. Who May File a Complaint

Any person who believes that he or she has been excluded from participation in, denied the benefits of, or otherwise subjected to discrimination under any Pike County service, program, or activity whether federally funded or not, based on their race, color, national origin, gender, age, disability, religion, ancestry, income status, or Limited English

Title VI Implementation Plan

Proficiency may file a complaint. A complainant's representative may also file a complaint on the behalf of such a person.

C. Timeliness of Complaints

For a Complaint to be considered timely, it must be filed within 180 calendar days after the alleged incident has occurred. The file date of complaint is the earlier of the postmark or date received by Pike County.

D. Location/Availability of Complaint Forms

Pike County will make complaint forms available via email, fax or United States mail. Persons may contact the Title VI/ADA Coordinator to request a copy of the complaint form. Copies of the complaint forms in alternative methods may be available upon request.

E. How to File a Complaint

A complainant may file his or her complaint by mail, facsimile, or email. Any person with a disability may request to file his or her complaint using an alternative format. Pike County will acknowledge complaints received by fax or email and will process them once the County establishes the identity of the complainant. Complainants must mail a signed, original copy of the fax or email transmittal to the County to begin the complaint process. Pike County does not require a complainant to use the County complaint form for submitting his or her complaint.

Direct Title VI and/or ADA Complaints to:

Kristi Dischinger, Title VI/ ADA Coordinator
Pike County Commissioners' Office

F. Elements of a Complete Complaint

A complete complaint is written and signed. Verbal complaints must be reduced to writing and provided to the complainant for confirmation, review, and signature before processing. The complaint form is available in the appendix of this report.

Title VI Implementation Plan

Additionally, a complete complaint is filed within 180 calendar days of the alleged discriminatory act(s) and includes at minimum the following information:

- The full name and address of the complainant
- The full name and address of the respondent, the individual, agency, department, or program that allegedly discriminated against said complainant; and
- A description of the alleged discriminatory act(s) that violated the complainant's Title VI rights and the date of occurrence.

The following items are not acceptable as a complete complaint:

- Anonymous complaints
- Inquiries seeking advice or information
- Newspaper articles
- Courtesy copies of court pleadings
- Courtesy copies of complaints addressed to other agencies
- Courtesy copies of internal grievances
- Oral complaints

The Title VI/ADA Coordinator shall notify the complainant in writing if his or her complaint is incomplete and allot 15 calendar days for the complainant to respond and provide the supplemental information needed to complete the complaint.

G. Processing Complaints

The Title VI/ADA Coordinator will process all complaints and will:

- Maintain a log of all complaints
- Acknowledge receipt of a complaint and inform the complainant of the action taken or proposed action to be taken to process the complaint
- Inform respondent of allegations and request a position statement and response to all aspects of the complainant's allegations
- Coordinate investigation and assign a staff member to the case
- Contact the complainant at the conclusion of the investigation

H. Corrective Action

If Pike County recommends corrective action, the County will give the respondent 30 calendar days to inform the County of the actions taken for compliance. The Title VI/ADA Coordinator shall monitor the respondent's corrective action compliance.

Corrective action may include actions that the respondent will complete at a future date of the initial 30 days and must include project time in which the respondent will complete the action.

If the respondent has not taken the recommended corrective action within the 30 day period allowed, Pike County will for the respondent to be in compliance with Title VI and its implementing regulations. Noncompliance not corrected by informal means as described above may be subject to sanctions as per 49 CFR § 21.13.

I. Pre-Investigative/Administrative Closures

It is the general practice of Pike County to investigate all complete complaints; however, the County may administratively close a complaint at its discretion. The types of complaints that may be administratively closed and will not be investigated include, but are not limited, the following:

- Complaints that fail to state a claim or provide any substantial or coherent claim
- Complaints that are outside the scope of Pike County's Title VI jurisdiction
- Untimely complaints filed more than 180 days after the alleged discriminatory acts
- Complaints voluntarily withdrawn by the complainant
- Complaints in which the investigation has been impaired by the County's ability to locate complainant
- Complaints that are a continuation of a pattern of previously filed complaints involving the same or similar allegations against the same recipient or other recipients that repeatedly have been found factually or legally unsubstantiated by Pike County
- Complaints containing the same allegations and issue that have been addressed in a recently closed complaint or compliance review conducted by the County
- Complaints containing allegations that are foreclosed by previous decisions by the Federal Courts, Department of Justice, or County policy determinations
- Complaints filed for complainants or parties who refuse to cooperate with the investigation and whose lack of cooperation substantially impairs the completion of the investigation; and
- Complaints transferred to another agency for investigation; and
- Complaints where the death of a complainant makes it impossible to investigate the allegations fully

Title VI Implementation Plan

Pike County shall notify complainant in writing when a determination is made to administratively close a case without further investigation. The notification shall include an explanation of the basis for administrative close.

J. Confidentiality

In accordance with DOT Order 1000.12, Pike County shall keep all complainants' identities confidential except to the extent necessary for carrying out an investigation. If an investigator determines that it is necessary to disclose the complainant's identity to the responder or a third party, the investigator must first obtain complainant's written permission.

K. Records

Pike County shall maintain all records of an investigation in a confidential area for three years after the completion of the investigation.

VIII. Public Involvement and Outreach

Pike County created a website which now allows us to post our ADA & Title VI plans, complaint forms & procedures, and awareness notices instantly for public viewing. www.pikecounty.in.gov

IX. Manuals, Directives, and Guidance

Pike County plans to incorporate Title VI policy and mission statements into its employee handbook for the next revision.

A. Pike County Title VI Policy Statement

Pike County values each individual's civil right and wishes to provide equal opportunity and equitable service for the citizens of this county. As a recipient of federal funds, Pike County is required to conform to Title VI and all related statutes, regulations and directives, which provide that no person shall be excluded from participation in, denied benefits of, or subjected to discrimination under any program or activity receiving federal financial assistance from the DOT on the grounds of race, color, age, sex, disability, national origin, or income status.

B. Pike County Title VI Mission Statement

Pike County will implement compliance with Title VI CFR § 26; and its related statutes and regulations to ensure that no person is excluded from participation in, denied the benefits of, or subjected to discrimination under any program or activity receiving federal financial assistance from the US Department of Transportation (DOT) on the grounds of race, color, or national origin.

Pike County will continue to develop additional manuals and directives as needed to provide guidance regarding Title VI and ADA compliance and will be made available where appropriate.

X. Limited English Proficiency

On August 11, 2000, President Bill Clinton signed an executive order, Executive Order 13166: Improving Access to Service for Persons with Limited English Proficiency, to clarify Title VI of the Civil Rights Act of 1964. It had as its purpose, to ensure accessibility to programs and services to otherwise eligible persons who are not proficient in the English language.

Pike County strives to serve its population to the best of its ability. According to the U.S. Census Bureau, the percentage of LEP population in Pike County recorded during the time period of 2012-2016 is approximately 1.3 percent. To accommodate these individuals, Pike County provides, upon request, services to assist the LEP population. Progress is still being made to fully serve the entire Pike County community.

XI. Accomplishments (See list on next page)

Pike County implemented its Title VI policy in 2016. "I Speak" cards have been given to all departments. Department heads and staff have been asked to fill out reports for any incident involving communication issues so we can determine the number of occurrences each year. Staff has been given a volunteer poll to find individuals who speak other languages who may be willing to translate. Non-discrimination and complaint procedures have been addressed with employees so they are aware how to handle any issues. At this time we have had only one communication report and no discrimination complaints.

Title VI Implementation Plan
